Banquet

at

The Fiesta

Thursday May 9, 2019

It was Mickey Corcoran, our legendary mentor, who encouraged the merger of our associations for great events like this one!

Dear Honorees and Guests,

Good evening! The members and the Executive Committees of the BCCA and the BCWCA are pleased to welcome these outstanding Century Club Honorees, Special Award recipients, and the 2019 Retirees to our Tenth Annual combined banquet.

Each of tonight's award winners have committed thousands of hours teaching and coaching the student-athletes of Bergen County. All the while, they were guiding and advising them through their challenging high school athletic journeys. Most of us in this room can agree that, though rewarding, this can be very difficult work.

"Congratulations" to all of the recipients for their distinguished and hard-earned achievements!

To the families and friends of tonight's recipients, "Thank you!" for your on-going encouragement and support.

Your presence here tonight is appreciated by everyone in the room!

Please sit back, enjoy your meal and fellowship, and join us in celebrating all of these outstanding professionals!

Sincerely,
Dianne, Nicole, and Joe
