2018 BCWCA Bowling County Tournament Rules and Format

1. All teams will compete in three traditional (5 player) games in the morning session. (Not Bakers)
2. The open substitution rule is in effect. **Pacers are not eligible to bowl as a substitute.** A replaced bowler is ineligible for the “High Series” trophy. There is no re-entry in the same game and the substitute is not entitled to any practice balls. A team may warm up a maximum of six bowlers during the ten minute pre-tournament practice time. Warm up will have each bowler rolling one ball on a lane and then move to the other lane following the same procedure. USBC rules shall apply and the tournament director reserves all rights and decisions, including, but not limited to disputes, scoring discrepancies, disqualifications, etc.

Qualifying and individual's championship round

1. Lanes will be assigned prior to the competition and each traditional game will be bowled on a new pair of assigned lanes. I will pick the morning lanes assignments out of hat at 7:30 P.M. on Thursday, January 18th at my house. If you wish to observe, contact me. ***The rotation of lanes will be within a block of six lanes. Total pin count for the three games will be used to determine the seeding of the 8 teams that will move on to the “Team Championship” playoff rounds in the afternoon.
2. Breaking ties in the morning. Team with the highest single game wins.
3. Individual winners for high game and high series based on the morning's competition will be recognized and awards distributed at the completion of the morning round. A player may win both honors.
4. Afternoon session will begin 1/2 hour after the last team finishes in the morning.

Team championship

1. There will be no carry over of pin count from the morning session.
2. The top 8 teams will be seeded for the afternoon session.
3. 1 will play 8, 2 will play 7 etc. to determine the 4 semifinalists.

4. The higher seeded team gets choice of which lane to begin on at the start of each round. They will bowl 3 Baker games on that lane. Teams will switch lanes at the conclusion of each game.
5. Five Baker games will be played with total pin fall determining the winner between the two teams.
6. For the semi finals, the 4 teams will be reseeded and 1 will play 4 and 2 will play 3 in a best of 5 Baker games.
7. The team recording three wins in Baker games in the Finals will be declared the champion
8. Five minutes of practice will take place on each lane at the beginning of the afternoon session. From then on, each team member will get 1 ball on each lane prior to the match.
